Emergency Supply

In emergency situations...timing is everything

Trust HCl for your emergency product supply needs

HCl was the first US supply and logistics provider to introduce **24 HOUR, 7 DAYS** a week emergency biopharmaceutical product supply services

This commitment to innovative supply solutions for our valued Customers continues with the newly enhanced...

First Dose / First Response:

- 🔥 Emergency product supply when you need it...how you need it
- 🔥 A cost and labor effective alternative to typical consignment programs
- 🔥 Decreased inventory and product storage burden
- 🔥 Optimal product access and utilization
- 🔥 Guaranteed service 24 hours, 7 days a week, 365 days a year

For the life saving products **your** patients depend on...
you can count on HCl to deliver!

To enroll today, contact your Health Coalition Territory Business Manager at (800) 456-7283.
